Vinayak Soma

Inside Sales Representative

Mississauga, Ontario | 289-996-0147 | vkron77@gmail.com | linkedin.com/in/vinayaksoma

PROFESSIONAL SUMMARY

Sales professional with 6+ years of experience across B2B and B2C sales, account management, and team leadership, built at top Canadian brands including HP, Accenture, Apple, and TELUS. Canadian permanent resident based in Mississauga, Ontario. Proven ability to grow pipeline from cold outreach through to closed revenue, consistently hitting targets while improving customer engagement and satisfaction along the way. Experienced in coaching junior team members, refining outreach strategy, and using CRM data to drive account growth. Now looking to move into an Account Executive or Sales Manager role that brings greater ownership over revenue outcomes and people development.

KEY HIGHLIGHTS

- Built and closed against a **$1.2M+ sales pipeline**, maintaining **120%+ quota attainment** across multiple quarters and closing **$500K+ in new business annually**
- 6+ years of consistent sales performance across B2B and B2C environments, spanning telecom, tech retail, and enterprise hardware
- Delivered measurable results throughout, including a 25% lift in client engagement, 35% growth in regional market share, and a 40% cut in client onboarding time
- Experience across the full sales cycle, from cold outreach and lead qualification (BANT) to **closing** and account expansion
- Track record of **team leadership**, including coaching 4 reps to consistently hit 100%+ of quota and improving team conversion rates by 18%
- Recognized performer, finishing in the top 10% regionally for revenue at TELUS and maintaining 95%+ customer satisfaction across multiple roles

PROFESSIONAL EXPERIENCE

Inside Sales Representative | HP Canada, Mississauga, ON *February 2026 - September 2026*

- Built and managed a full sales pipeline across SMB and mid-market accounts within a 3-month ramp, closing **$500K+ in new business annually** by moving leads through every stage of a structured sales process ahead of typical ramp timelines
- Achieved sales targets each month by blending fast transactional wins with longer, solutions-based deals, showing consistent month-over-month **quota attainment**
- Converted product conversations into **closed revenue** by matching customer needs to the right mix of HP hardware, software, and support offerings
- Grew existing account value through proactive **upselling and cross-selling**, using regular check-ins and account reviews to uncover new opportunities

Inside Sales Representative | Accenture, St. Catharines, ON *March 2025 - January 2026*

- Managed a list of 40+ B2B and B2C contacts, using a consistent outreach approach to qualify leads and push deals through each stage of the sales process
- Built and managed a **$1.2M+ sales pipeline** while maintaining **120%+ quota attainment** across multiple quarters
- Tested and refined outreach messaging, lifting client engagement rates by 25% and cutting time-to-meeting
- Maintained a 95% client satisfaction rate through accurate CRM logging and proactive follow-up
- Qualified leads using the BANT framework and partnered with cross-functional teams to align sales strategy with customer needs, while providing **team leadership** by coaching junior teammates on qualification and CRM use

Technical Sales Specialist | Apple, Mississauga, ON *December 2023 - February 2025*

- Maintained deep knowledge of Apple's product lineup, services, and Genius Bar repair processes to deliver fast, accurate customer support
- Helped 20+ customers weekly troubleshoot hardware and software issues, maintaining a 95%+ satisfaction rate
- Partnered with team leaders to identify repair issue patterns and relay feedback to Apple, contributing to a 30% reduction in repeat service visits for commonly flagged problems
- Guided customers toward the right products and buying options as part of an inclusive, high-performing store team

Retail Sales Associate | TELUS Communications, Toronto, ON *October 2022 - November 2023*

- Finished in the top 10% regionally for revenue by converting in-store, phone, and messaging conversations into sales opportunities
- Grew average revenue per customer by 20% by matching the right mix of products and services to customer needs
- Managed 100+ active customer accounts in CRM while working evenings and weekends in a high-volume store environment
- Reactivated 15% of inactive customers through targeted outreach campaigns

Assistant Sales Manager | Reliance Jio Private Ltd, Mumbai, India *September 2016 - March 2019*

- Provided direct **team leadership** for 12+ sales reps across multiple retail locations, overseeing territory planning, prospecting activity, and CRM adoption
- Grew regional market share by 35% through targeted sales campaigns and cold calling in a highly competitive telecom market
- Coached 4 reps to consistently achieve **100%+ of quota**, helping improve overall **team conversion rates by 18%** through structured training on prospecting, objection handling, and consultative selling
- Implemented CRM-based **pipeline management** that streamlined reporting and cut new client onboarding time by 40%
